

## SUMMARY OF LMS SANDBOX TESTING SURVEY

The following data has been compiled from the surveys offered to faculty, staff, and students after testing the LMS sandbox sites. The survey was open from May 29 - June 21, 2023. A total of 62 responses were recorded from 41 faculty, 7 staff, and 14 students. Respondents completed the feedback survey for each of the LMS sandboxes separately, with 26 responses regarding Canvas, 19 responses regarding Blackboard Ultra, and 17 responses regarding Brightspace. Below, charts 1 and 2 show the distribution of survey responses by user group and each LMS, respectively.

Responses by population

Responses by LMS

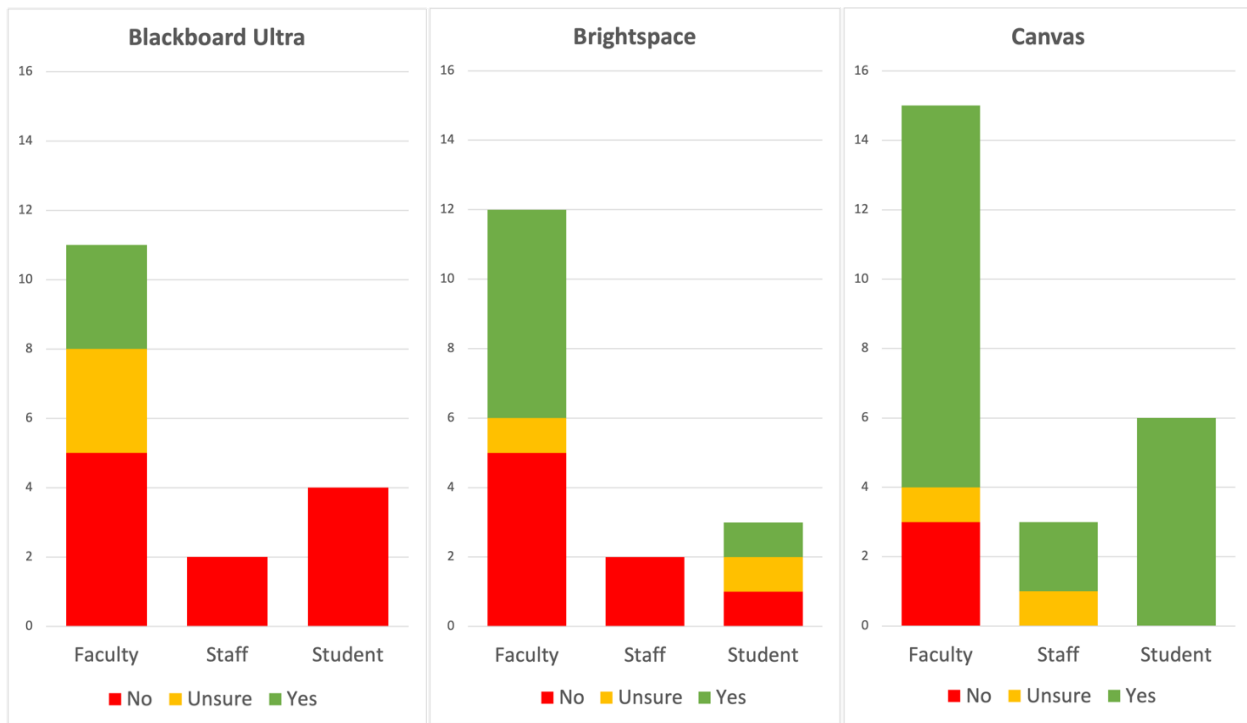

● Brightspace from D2L ● Canvas from Instructure ● Blackboard Ultra from Anthology

## COMPARISON BELIEFS ABOUT THE LMS PLATFORM OPTIONS

Respondents were asked if they would recommend the LMS sandbox they tested as a replacement for Blackboard Original (Mason's current version).

**Would you recommend as a replacement for the current Blackboard Platform at Mason?**

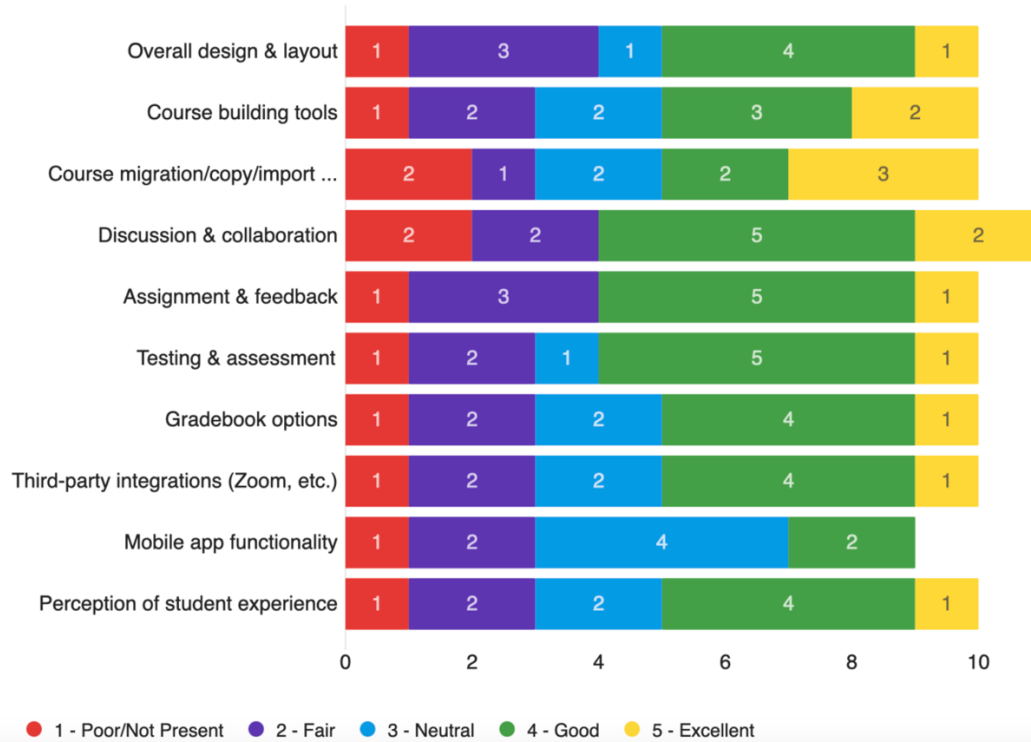

# FUNCTIONALITY QUESTIONS OF FACULTY, STAFF, AND STUDENTS

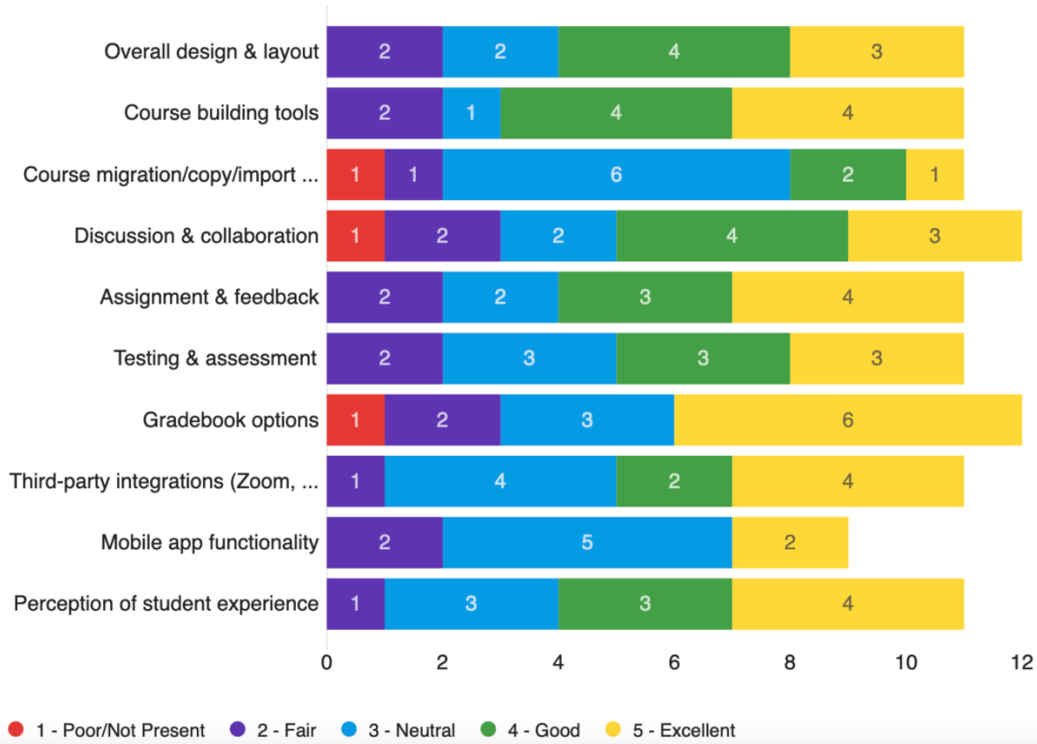

The following questions asked respondents to rate functionalities of the three LMSs after testing with the sandbox sites. Five (5) of the functionality questions were the same for all 3 user groups, while 5 were unique to the user group.

## FACULTY - FUNCTIONALITY OF THE LMS SANDBOXES

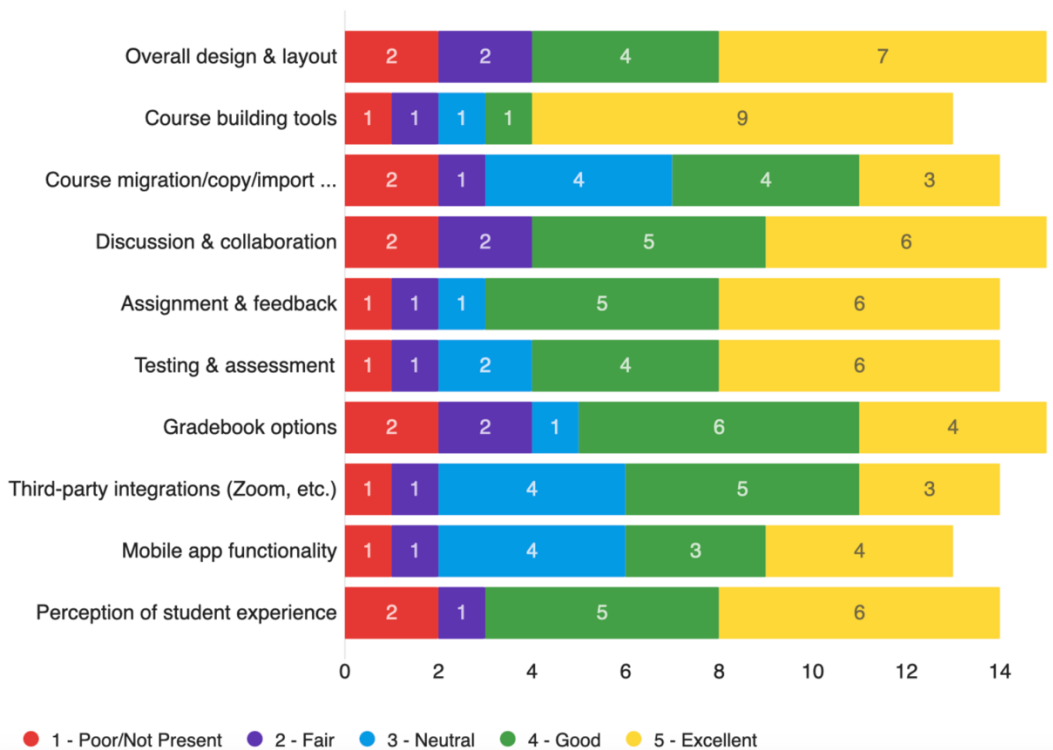

### Faculty Experience with Blackboard Ultra

## Faculty Experience with Brightspace

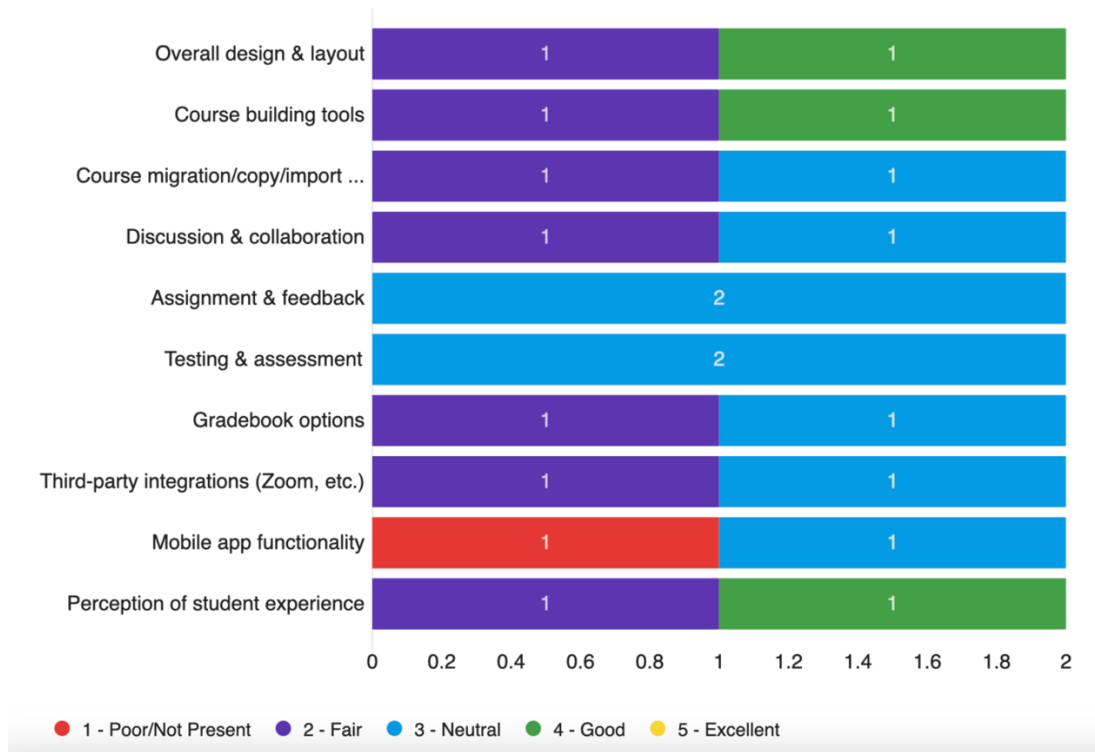

## Faculty Experience with Canvas

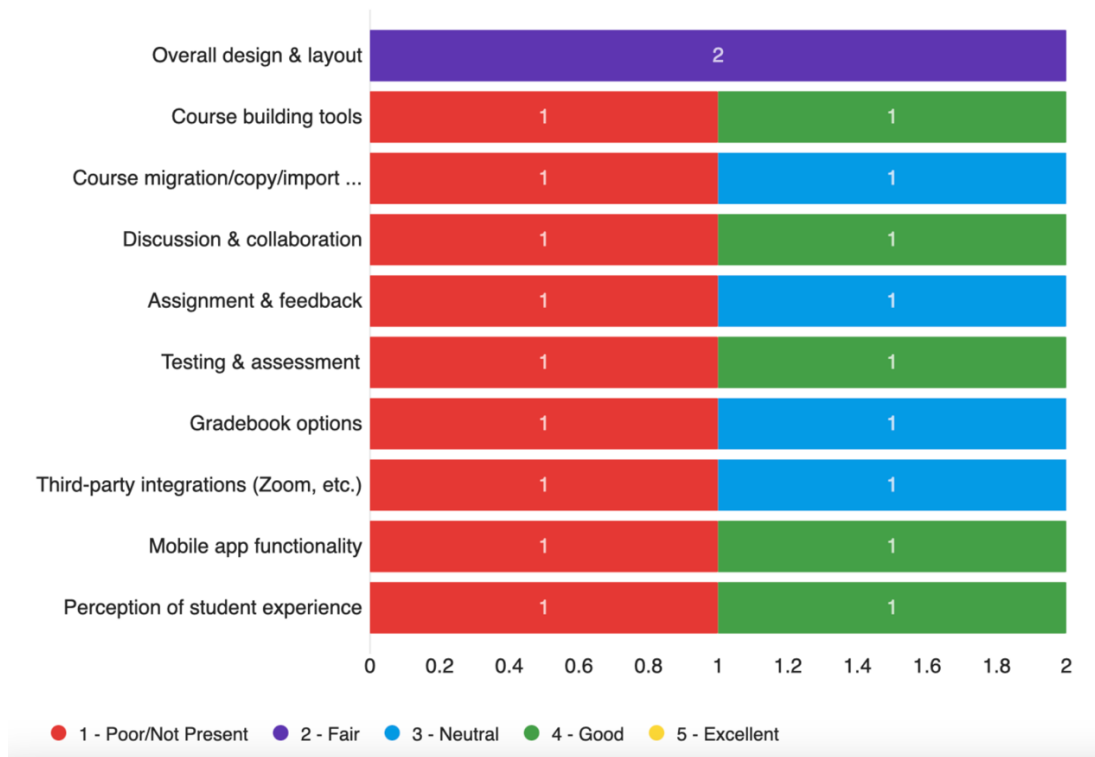

# STAFF - FUNCTIONALITY OF THE LMS SANDBOXES

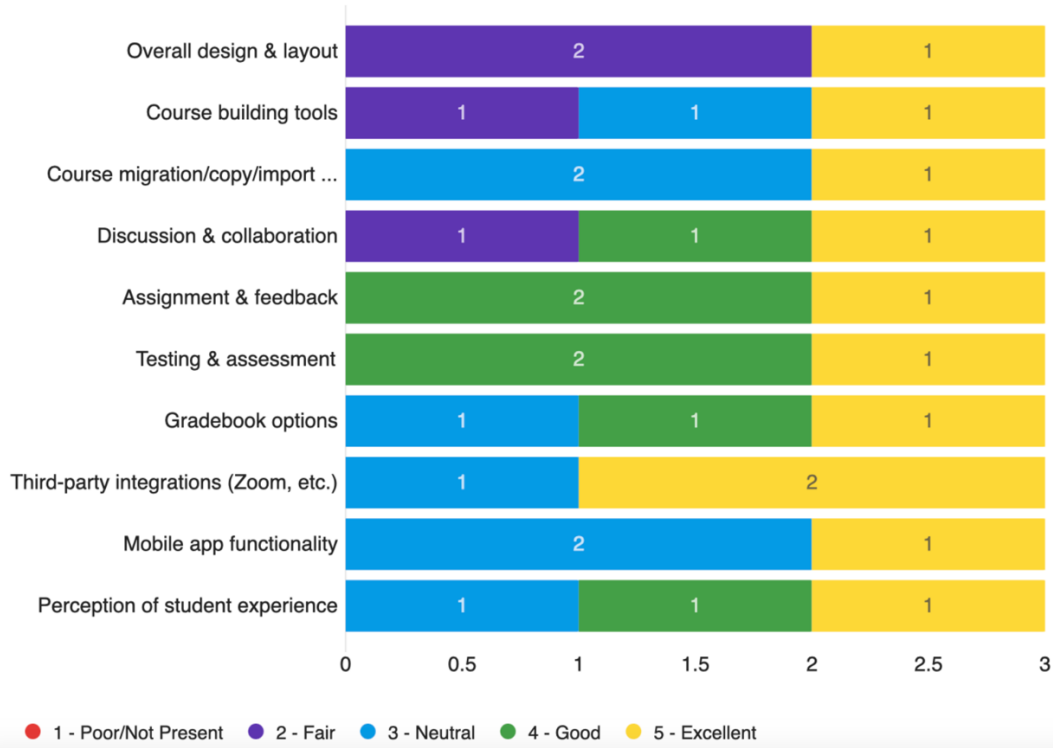

## Staff Experience with Blackboard Ultra

## Staff Experience with Brightspace

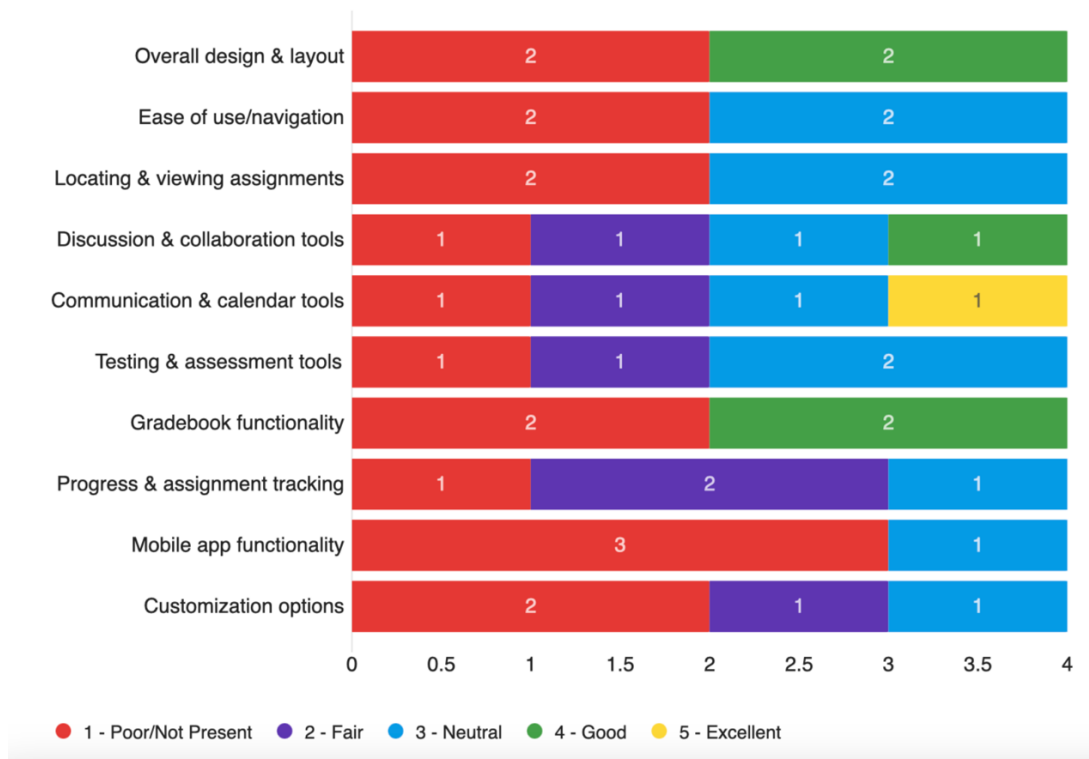

## Staff Experience with Canvas

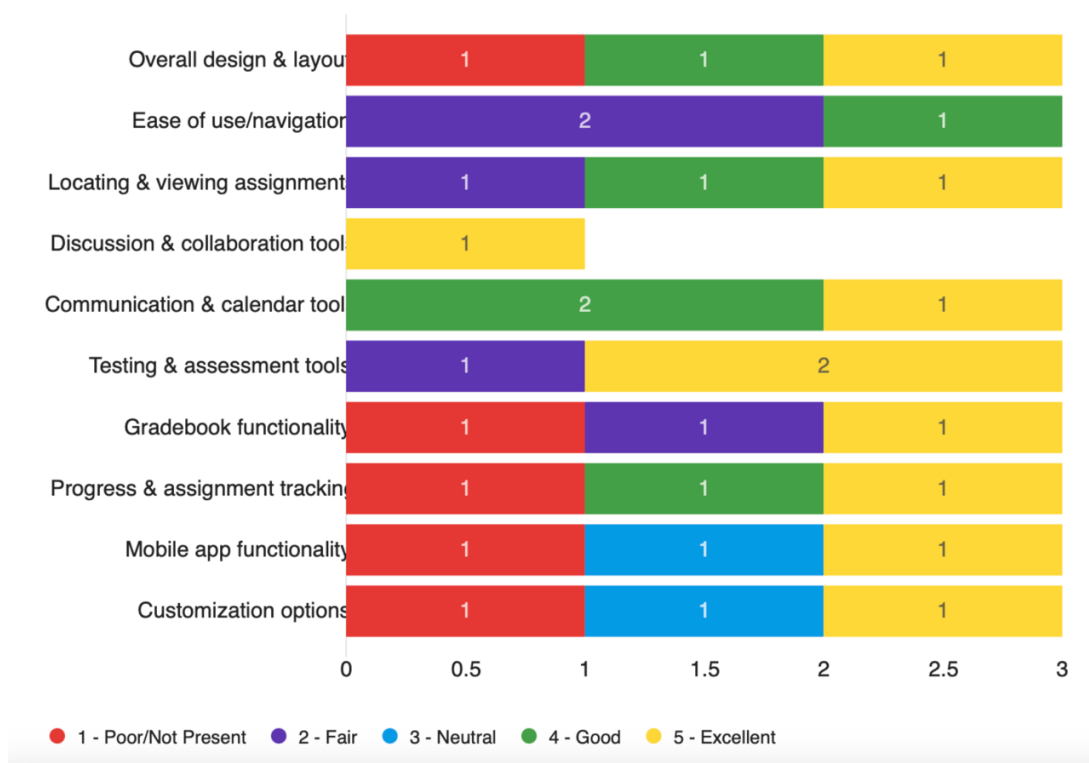

# STUDENT - FUNCTIONALITY OF THE LMS SANDBOXES

## Student Experience with Blackboard Ultra

## Student Experience with Brightspace

## Student Experience with Canvas
